Notes & acknowledgements:

Phew! What a run up, and what a day. Thanks for making a great day of it, despite the Eastbourne Air Show traffic.

Congratulations to all finishers, commiserations if your day was spoilt by a p*****, a fall or an aggressive motorist. In the end it was definitely faster on the simplified course. We are keen to receive your thoughts as we plan for next year.

Steve Kane, what a ride; Andy and Rob also again under the 4 hours. Christine Costliff, leading woman home, stalwart tester Geoff Smith, best Vet on Standard. Alan Lloyd, at 99 miles just before Boship, collided with a car pulling out from a driveway, remounted a little bloodied, bruised and dazed and rode direct to the finish and the Hall. When it was pointed out he had missed the final roundabout, he rode back and completed the course. Chapeau! Katja, travelled from Milton Keynes, got a flat before the start, got another, walked a mile, found a pump to borrow, then completed her first ever hundred. Chapeau! Really, every rider deserves a mention.

It was an (exhausting) pleasure to run the event for you. Thank you to all helpers for your contributions. And we note that Ken Philips was on the road at 5.30am during the week to measure a course for us.

For a sardonic inside view of riding the event: *Suechoccy's distractful ESCA 100*. See:

See you next year.
