In stark contrast to last year, we were bathed in warm spring sunshine as the ESCA calendar got off to a flying start with an awesome ride of 36 minutes and 3 seconds from Peter Tadros in this year's Hard Riders. Not only did he take the previous course record of 37:27 set in 2006 by Michael Coyle, he claimed a record time for the Hill Prime too. Congratulations to Peter, his fellow prize winners, and much appreciation to everyone who entered and contributed to the success of the event.

With a very special thank you and gratitude to everyone who assisted on the day, and whose hard work and commitment help to make the event possible.
