## Notes & acknowledgements

Sorry about the progressively worsening weather and the lack of hot drinks, I think I need training in the art of lighting a Burco Boiler.

Huge thanks to all those that assisted today, particularly Ann Human for an excellent results service (as usual) plus all the other bits Ann assists with. Our timekeepers Laurie Leaney and Mick Kilby were once again fantastic, despite the miserable conditions at the top. Alan Lloyd for assisting with the limited refreshments not forgetting Micky Turner and Ashley Turner our glamorous assistant timekeepers. Amanda and Eva made the cakes and thanks to James and Nick from RPM90.com whose tent at the top provided some welcome relief from the wind and rain as well as providing your energy drink packs.

Finally thanks to the riders for supporting the event.
